THE ULTIMATE GUITAR CHORD CHART II

Special thanks to Martin.Leclerc@Sun.com and Mario.Dorion@Sun.com for the use of their Postscript code and thanks to all those people that responded to my initial postings for guitar chords. Please check chords and notify me of any errors via email at:- Pfacol@elaine.ee.und.ac.za

If you are playing in a band with a bass player you don't need to play the chords in the key of the chart with a bass note, just play it as a normal chord (eg. C/D = C and so on).

Remember: Make as many copies as you want, pass it on to your friends.
